From our hearts to yours, we cannot tell you how much we appreciate everyone's support and donations! We've already received many donations and are excited to start working on the bags! There are a couple things still needed, however, but whatever you can spare will be welcomed. Recommended items include: wet wipes, travel toothbrush/toothpaste, new socks, lip balm, granola bars, restaurant gift cards, small water bottles, small hand sanitizer bottles, sanitary napkins, gift bags, paper bags etc. Money donations can also be directed to GOYA director, Laura Sherman. (All proceeds will be put to buying supplies.) If you have any questions, feel free to contact isabellanwebster@gmail.com for additional information. Again, we thank everyone so much for the love and support already given, and hope everyone has a wonderful Lent.

Many thanks,
